# PARIS

Nicknamed the 'City of Light', Paris is an elegant and time-honoured city with a rich cultural history and classic spirit. Everything about the capital oozes elegance, from its world-famous landmarks and rich art history, to its fine dining and luxury fashion. Discover iconic artefacts at the Musée du Louvre, enjoy a picnic lunch at Luxembourg Gardens, or fall in love while looking out over the city's moonlit landscape on top of the Eiffel Tower.

There are a few attractions in Paris that are must-sees, and the Eiffel Tower is at the top of the list. If you do want to visit the Eiffel Tower on your Paris city break, we recommend you pre-book your tickets to avoid lengthy queues. Take a romantic stroll at night to the tower and see it lit-up with golden lights, which sparkle for five minutes every hour, on the hour.

As the hometown of the likes of Picasso, Monet and Van Gogh, it's no surprise that Paris is home to some of the most famous masterpieces in the world. One of the most popular museums in Paris is the Musée du Louvre, the largest museum in the world. Spend a day exploring over 35,000 treasures that include the renowned Mona Lisa painting and the graceful Venus de Milo statue.

Enjoy elegantly manicured lawns, colourful flowerbeds and chestnut groves at Luxembourg Gardens. One of the best places in Paris to relax, this former royal garden is best visited during the summer when you can make the most of a lazy picnic lunch while soaking up the sun in a magnificent setting.
