NCP ParkPass

How do I get the exclusive cheaper rate

- Before arriving at the car park, you need to:
  - Register for a ParkPass App account
  - Ensure your app account is set up with payment details
- Use your app to pay for parking

What else do I get when registering for the ParkPass App?

- Our introductory offer of 10% off parking for your first month
- Use to pay at 250 other pay and display and barrier NCP car parks nationwide
- Extend parking remotely at pay and display sites
- Ticketless parking - no need to take a ticket or visit a pay machine

How to register (it's really easy)

First, download the ParkPass App from Apple or Google Play store

1. Add your name, mobile number and VRN
2. Remember to sign up for exclusive deals and promotions
3. Set up your secure PIN to complete registration
4. Add your card payment details to complete your account before you're ready to park
5. Opt in to receive exclusive offers to your inbox
